ARCHIVAL

AROUND THE TIME THAT I 'OFFICIALLY' BEGAN THIS
PROJECT APPLE RELEASED IOS 12 - AS BOTH MY
2/12/10 FRABANDON RAN FROM WHICH I USED JACMY
TO RECORD VIDEOS SUCH AS THIS

AND my GRANDMOTHER HAND-ME-DOWN from my
MOTHER SAT IN A DUSTY DOWNTOWN SHOP AWAITING
PAYMENT + RECEIPT FROM ME FOR REPAIRS of
'mysterious origin!'

They implemented what of the core costs
I had been throwing around regarding the R&D
part version of this project w/ some

TODAY I SEE THEY'RE ABOUT 15 HRS DEEP
IN A SIZEABLE URGENT CAMPAIGN, SO LET'S
CATCH UP WITH ...

Twitter is on fire. Meta Announces they're introducing 'AI Profiles' into their services, and is finally ready to officially begin publishing content + more proactivity and proactively committing to expanding on the development of this project.

It is, By getting considered, that
this just so happens to coincide
with a New Year - A fact that
would be redundant to me as I
sit here 26 days away from
Jan. 2nd in an empty
