DEVELOPMENT

AROUND THE TIME THAT I 'OFFICIALLY' BEGAN THIS  
PROJECT APPLE RELEASED IOS 12 - AS BOTH MY  
2/12/10 FRABANDON RAN FROM WHICH I USED JACMY  
TO RECORD VIDEOS SUCH AS THIS

AND MY SCRAPBOOKS HAND-ME-DOWN FROM MY  
MOTHER SAT IN A DUSTY DOWNTOWN SHOP AWAITING  
PAYMENT + RESCUE FROM ME FOR REPAIRS OF  
'mysterious origin.'

They implemented what of the core costs  
I had been throwing around regarding the R&D  
part version of this project w/ some  
suspicious

TODAY I SEE THEY'RE ABOUT 15MRS DEEP  
IN A SIZEABLE URGENT CAMPAIGN, SO LET'S  
CATCH UP WITH ...

Twitter is on fire. Meta Announces they're introducing 'AI Profiles' into their services, and is finally ready to officially begin publishing content + more proactivity and proactively committing to expanding or the development of this project.

It is, By getting considered, that  
this just so happens to coincide  
with a New Year - A fact that  
would be redundant to me as I  
sit here 26 days away from  
Jan. 2nd in an empty
